EZ Scripts

Scriptsense, your prescription benefit provider, is pleased to announce the addition of a new mail order pharmacy available for all Local 50 members. The name of the new mail order pharmacy is EZ Scripts and it is located in Holland, Ohio.

In an effort to keep more of your money here in Northwest Ohio, Scriptsense wanted to give you the option of filling your maintenance medications at EZ Scripts. Many of you may know that Scriptsense is located in Toledo, Ohio, and we feel that supporting our local economy is essential to help build a better, stronger area in which to live.

If you are happy with your current choice of mail order pharmacy, Medvantx or Drugsource, you may continue to use that pharmacy to fill your prescriptions. Scriptsense does not force you to choose one pharmacy over another.

If you would like more information regarding transitioning your prescriptions to EZ Scripts mail order pharmacy, you can contact Scriptsense at 1-877-797-3673 or contact EZ Scripts mail order pharmacy directly at 1-855-729-3939.
